

EMMANUEL MISSION SCHOOL
MORAL SCIENCE HOLIDAY HOMEWORK
CLASS - V

Dear students

Rest is not idleness, and to lie sometimes on the grass on a summer day listening to the murmur of water, or watching the clouds float across the sky, is hardly a waste of time. Nevertheless, boredom tends to set in with too much leisure time. You must keep your mind 'ticking over' during the summer break.

And hence we have designed interesting summer projects.

Here are some activities designed for you to keep you at your creative best while you stay in your home, beating the summer heat.

These are simple activities that you would love to do on your own.

Hope you have a great time with your family and friends during these holidays.

We wish you a wonderful time ahead!
